Aviation Family Wins Fall Airplane Raffle

When Dr. Melissa Smith, a vet from central Illinois, received the postcard for the fall 2020 airplane raffle, she looked at her son and said, "I'm going to win that airplane." Smith bought one \$75 raffle ticket. Two months later – on her birthday – she received a call from Wings of Hope: she had won the grand prize plane. "It was the best birthday ever," she said.

100% of the proceeds from this airplane raffle support our mission of changing and saving lives through the power of aviation – thank you!
