Wings of Hope

HOPE IS WHERE THE HEART IS GALA

Photos and story by David Anderson

Love was in the air for more than 400 guests at Wings of Hope's 15th annual Hope Is Where the Heart Is Gala on Feb. 11 at The Chase Park Plaza. This year's fundraiser for the aviation nonprofit's Medical Relief & Air Transport Program boasted record attendance and exceeded all fundraising goals. **Jack and Crista Taylor** and **Jim and Diane Moffat** chaired the event. Board Vice-Chairman **Fred Meyland-Smith** recognized presenting sponsor Fabick Cat on its 100-year anniversary. Guests were visibly moved as patients took the stage to share their stories of how Wings of Hope has made their journeys back to health possible. The evening kicked off with a cocktail hour, followed by dinner, silent and live auctions – emceed by **Todd Morgan** – and dancing to the music of Mirage.

There are none more dedicated to helping others than the people who donate to and volunteer for Wings of Hope. We simply could not accomplish so much without the efforts of so many.
