Meet Cortney

"Wings of Hope has literally saved my life and continues to do so one flight at a time." – Cortney

Wings of Hope flies Cortney from St. Louis to the Mayo Clinic in Minnesota every three months for treatment of inoperable brain cancer. Her most recent visit showed clear scans, so she and her husband have the green light to start a family.

100% of the proceeds from this airplane raffle support our mission of changing and saving lives through the power of aviation – thank you!

**Tickets go on sale April 1, 2022 at 6am Central Time.
