## Meet Jaley

Jaley was in seventh grade when she was diagnosed with scoliosis that would require surgical intervention. Her mom's research led her to Shriners Children's St. Louis. After making the eight-hour drive from their home in Nebraska for the surgery, Jaley and her mom, Jenny, learned about Wings of Hope. Jaley returned to Shriners for four follow-up visits, and Wings of Hope flew her and her mom every trip.

"Everybody's always so kind," said Jenny.  
"Flying with Wings of Hope just makes traveling so much easier."

100% of the proceeds from this airplane raffle support our mission of changing and saving lives through the power of aviation – thank you!
