### Meet Caleb

Thirteen-year-old Caleb has completed 17 roundtrip flights with Wings of Hope from his home in Wichita, Kansas, to Shriners Children's St. Louis. Caleb was born with a short femur bone, making his right leg shorter than his left, and had his first surgery at Shriners when he was three. Doctors expect him to finish medical treatment by the time he turns 15.

His mom, Crystal, says flying with Wings of Hope "helps get us back home to the family instead of spending long periods of time on the road" and has made Caleb's medical journey "so much easier."

100% of the proceeds from this airplane raffle support our mission of changing and saving lives through the power of aviation – thank you!

Tickets go on sale **March 1, 2023 at 12am Central Time.**
