Meet CJ

Calvin (he prefers CJ) was born with clubfoot. His mom, Leigh, found the best treatment for him with the pediatric orthopedic specialists at Shriners Children's St. Louis. The only problem was the 9-hour drive — each way — from their home in central Kansas. Since Leigh learned about Wings of Hope, we have flown CJ and his mom two times roundtrip to St. Louis. CJ is doing great, but he will need to keep seeing his Shriners' team at least until he is 8. Wings of Hope will continue taking care of the travel, so CJ and his family can focus on the important things — like CJ running, jumping, playing and generally being an active 5-year-old kid.

100% of the proceeds from this airplane raffle support our mission of changing and saving lives through the power of aviation — thank you!
