Aircraft Mechanic

Reports to: Director of Maintenance

Prepared by: Wings of Hope www.wingsofhope.ngo

September 2023

SUMMARY:

Wings of Hope seeks a mission-focused Aircraft Mechanic to join its hangar team who maintain Wings of Hope aircraft and prepare aircraft for sale. The professional in this position is responsible for installing, inspecting, testing, adjusting, and repairing equipment on the aircraft.

ESSENTIAL DUTIES AND RESPONSIBILITIES:

Core duties and responsibilities include the following. Other duties may be assigned.

- Embraces the mission, vision, and culture statement of the organization.
- Works with the purchasing department to identify proper parts.
- Inspects, tests, adjusts, and repairs equipment, such as mags, starters, alternators, and hydraulic systems installed in aircraft, using hand tools and test equipment: Inspects components of equipment for defects, such as loose connections and frayed wire, and for accuracy of assembly and installation.
- May accompany flight crew to perform in-flight adjustments and to determine and record required post-flight repair work.
- Will sign documents for equipment replaced and/or repaired.
- Maintains accurate records of all inventories, equipment, and tools.
- Will supervise volunteers.

EDUCATION AND/OR EXPERIENCE:

Airframe and Powerplant license; and 3-plus years of related experience. IA experience preferred but not required.

KNOWLEDGE, SKILLS, AND ABILITIES:

Passion for Wings of Hope, humanitarian service, and aviation overall. Strong communication skills and professional appearance. Extensive knowledge of FAA rules and regulations. Works well with volunteers.

WORKING CONDITIONS:

Potential hazards associated with working around aircraft, electricity, pressurized air, hydraulic systems, use of hand and power tools, solvents, lubricants, and other combustible substances (aircraft fuel).

PHYSICAL REQUIREMENTS:

Ability to transport and operate heavy tools and equipment.

COMPENSATION:

The Aircraft Mechanic position is a full-time (40 hours/week), hourly position reporting directly to the Director of Maintenance.

Employee benefits, retirement savings plan and professional development opportunities are offered. The salary range is \$24 - \$27 per hour.

Wings of Hope is an equal opportunity employer and does not unlawfully discriminate against employees or applicants for employment on the basis of an individual's race, color, religion, creed, sex, sexual orientation, gender identity/expression, national origin, age, disability, marital status, veteran status or any other protected status. This policy applies to all terms, conditions, and privileges of employment, including recruitment, hiring, placement, compensation, promotion, discipline, and termination.

TO APPLY: Qualified candidates are asked to submit a cover letter and resume via email to Angela Walleman, Director of Human Resources at angela.walleman@wingsofhope.ngo. Please put "Aircraft Mechanic" in the subject line. Interviews to begin in September 2023.
